You come to spend the day or a few hours on our adventure playground :

We are in Belgium, temperate climate, informe you about the weather to wear adaptate and comfortable clothes

We think about :

Sneakers, walking shoes, comfortable clothes, change clothes in case of and rain clothes if the weather is uncertain.

A pants is better than a short.

If you wear long hair , use something to attache them.

We forget :

Tongs (beach shoes), open shoes, Low-fronted shoes and "Chanel " suit , it's not suitable and you may damaged it .

You leave in the car or in the bus , or even at home : MP3, jewels, all kind of expensive things .

Cellular and keys can ben given to the guide : no risk of loss or injury for the guides who assure you when you're up in the trees.

Try not to wear white clothes !!

Your security :

Respect the advice given by the guide, an helmet will be given to you for the activity . It's not quite sexy but wear it!

Don't smoke on the playground, you are in a forest and they are fire risks .

All material who dissapear will be facturated

You have fallen, you are stuck ? Stay calm, let the staff come help you and bring you back on te ground in safety .

We welcome you, and wait from you a responsible and respectable attitude for our staff and equipment. Every person who put himself or the group in danger will be ejected without any money back.

We listen to your desires.
You never go alone for an activity
Our staff will follow you, help you and encourage you.
